## Abstracts

Overall volume sales growth for beauty and personal care in Algeria in 2023 was modest and unchanged on 2022, while growth in total current value sales was down slightly on the previous year. This was mainly due to stubbornly high inflation fuelled by the global recovery from COVID-19, the fallout of Russia's invasion of Ukraine and the weakness of the dinar. Most categories recorded poorer results as price hikes and falling purchasing power made consumers more inclined to go without products th...
