Abstracts

Performance was positive for beauty and personal care in Azerbaijan in 2023. While inflation was still an issue, it eased somewhat, particularly later in the year. As such, beauty and personal care registered both moderate constant value and volume growth, partly supported by continuing population growth. In addition, any supply disruptions caused by the war in Ukraine were for the most part ironed out. That being said, the economy slowed, due to falling oil prices and declining oil production,...
