## Abstracts

In 2022, all categories are being impacted by the global inflation rates, with price hikes by 50% being seen in some cases. However, BPC overall is performing much better than seen in 2020 and 2021 due to the COVID-19 pandemic coming to an end. Moreover, the spread of Western consumption trends continue to boost the demand, particularly among young people, who are increasingly informed via social media. Nevertheless, the low incomes of majority of the population who live in rural areas continues...
