Abstracts

Beauty and personal care experienced dynamic current value growth in Germany in 2022, with sales rebounding, and indeed far exceeding, the 2019 level. This was partly driven by soaring inflation, which resulted in strong price rises for consumer goods, and partly by a rebound in consumer demand for products that suffered during the pandemic. In the context of a return to normality post-COVID-19, but at the same time with raging inflation, accelerated by the war in Ukraine, and a soaring energy c...
