## Abstracts

Beauty and personal care recorded another year of positive growth in real value terms in Middle East and Africa in 2023, led by another strong performance in Saudi Arabia, the region's biggest market. Saudi Arabia will also continue to be a major force behind the regional growth expected in Middle East and Africa in the coming years, particularly through its thriving premium fragrances category.

Euromonitor International's Beauty and Personal Care in Middle East and Africa global briefing offers an insight into to the size and shape of the Beauty and Personal Care market and highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The report also explores developments in the premium vs mass/masstige segments, and the evolution of novel beauty concepts.
