Abstracts

In 2022, fragrances, sun care and oral care were the categories which experienced the fastest current value growth. However, the best performance was seen by fragrances, with an increasing number of brands jumping on the growth trend, driving a return to the pre-pandemic level of sales. Despite a return to normality as the impact of COVID-19 eased, with a healthy consumer appetite for spending and more trips outside the home to crowded retail outlets, several categories were relatively lacklustr...
