## **Abstracts**

Although Thailand faced some negative factors in 2022, especially high inflation and pressure on incomes and purchasing power, the performance of beauty and personal care was strong, thanks to the resumption of social activities and normal lifestyles. COVID-19 measures were lifted, and people returned to the workplace (although hybrid working also continued), spent more time at the gym, participated in outdoor activities, and returned to socialising and both domestic and overseas travel. Therefo...
