Abstracts

In 2022, the war in Ukraine was the core factor impacting consumer demand for beauty and personal care. The initial months following the invasion were the most difficult, when many consumers ceased purchasing products deemed non-essential.

Traditionally, 8 March (International Women's Day) is a very important date for beauty and personal care sales as many male consumers purchase such products as gifts for their wives, daughters and friends. In 2022, Ukrainians were forced to prioritise their pu...
