Abstracts

In 2022, beauty and personal care saw a decline in retail volume sales as demand waned in some product categories, although current value growth remained robust. The most critical factor in 2022 has been the exchange rate between Argentina and Uruguay, which has made some beauty and personal care products dramatically cheaper in Argentina. Retail prices have been up to 400% less in Argentina compared to Uruguay, which encouraged consumers (at least from towns near the border) to cross into Argen...
