Abstracts

Beauty innovators generally have the power to disrupt markets, predominantly through route to market and the brand value proposition. The case studies or “beauty innovators” selected by our in-country analysts, are newly established local businesses launched between 2012 and 2018, and typically formed by entrepreneurs who identified a gap in their market and decided to supply the demand through a product or service.

Euromonitor International's Beauty Disruptor Series: Innovation in Europe, Middle East and Africa global briefing offers an insight into to the size and shape of the Beauty and Personal Care market and highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The report also explores developments in the premium vs mass/masstige segments, and the evolution of novel beauty concepts.

Product coverage: Baby and Child-specific Products, Bath and Shower, Colour Cosmetics, Deodorants, Depilatories, Fragrances, Hair Care, Mass Beauty and Personal Care, Men's Grooming, Oral Care, Oral Care Excl Power Toothbrushes, Premium Beauty and Personal Care, Prestige Beauty and Personal Care, Skin Care, Sun Care.
