Abstracts

Hair care is the largest beauty and personal care category in Germany in terms of retail unit volume sales, and continued to grow in 2022. The growth of hair care benefitted retail packaging unit volume sales of the leading pack type in the category, HDPE bottles, but also other plastic bottles and metal aerosol cans, with the latter widely used in the packaging of styling agents. HDPE bottles benefit from their strong chemical resistance, which is particularly important in the packaging of hair...
