### Abstracts

Bemis has been very aggressive in its acquisitions in recent years, taking on Alcan Packaging Food Americas division as well as the South American rigid packaging operations of Huhtamaki Oyj in June 2009. The company, however, may have acquired Alcan's division as more of a defensive move as it sought to defend its position in the key US market against its competitors as Rio Tinto exited the packaging market.

Euromonitor International's Bemis Inc in Packaging ( Global) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Packaging industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
