Date: December 2017

Pages: 2

Price: US\$ 150.00 (Single User License)

ID: B2F33A83F32EN

Abstracts

Bericap will focus on innovation within closures in the forecast period, as it seeks to cater to changing demand from fast-moving consumer goods players. There is expected to be a strong focus on convenient closures, with this facilitated by the company operating in-house injection moulds production. There is also expected to be a focus on lighter closures, as players increasingly seek to reduce the weight of overall packaging.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
