Abstracts

An increasingly-difficult operating environment in Canada, with strong competition from other retailers (online in particular) and poor demand for many products, forced the retailer to announce the closure of 15 large (big-box) outlets under both the Best Buy and Future Shop names in Canada, and 900 employees were laid off in the process. The company indicates that it intends to focus more on its online shopping and Best Buy Mobile outlets in first three years of the forecast period.
