Abstracts

Despite recording fairly strong growth rates in 2020 as a result of the pandemic and the home seclusion trend, better for you beverages continued to experience demand in 2021. This positive performance, driven by BFY reduced sugar beverages, was again mainly linked to the pandemic and subsequent health concerns, as Austrians continued to search for products that they perceived would be beneficial to their overall health and wellbeing or that were at least considered to be less harmful. While thi...
