Abstracts

The overall hair care category was recording positive growth in its packaging unit volumes in 2022, which was positively impacting its main pack types like HDPE bottles, folding cartons and other plastic bottles. Although HDPE bottles continued to be the leading pack type and also increased its share in 2022, packaging formats like folding cartons, PET bottles and other plastic bottles have been losing share to squeezable plastic tubes, which continued to gain share in hair care in 2022. In Mexi...
