## Abstracts

Malaysia continued to face widespread measures to contain the spread of COVID-19 in the country in 2021, with this leading many to minimise their social contact and to plan more carefully their weekly or monthly grocery shopping trips. This continued to limit impulse sales as shoppers worked through their shopping lists methodically in order to spend as little time as possible in retail outlets and in order to make savings on non-essential items. Reduced sugar carbonates and reduced sugar RTD te...
