## Abstracts

Better for you recorded a decline during 2020 as manufacturers and retailers focused on mainstream products, which experienced high demand due to home seclusion. Also, consumers were willing to make some sacrifices during the COVID-19 pandemic and not purchase specific products they wanted if they were not available in stores and instead purchased whatever was available at the time of their visit. In 2021, however, there has been a recovery, and the growth of better for you products in Peru surp...
