Abstracts

Bio Research aims to become the leading mass-market pet and pet products retailer in the Philippines. Its strategy includes pushing its private label range, Bio-Min, towards being a preferred product within other pet food. While outlet expansion was not seen over the review period, improvements are being made to the overall store experience of the customer in its retail outlets.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Pet Food, Pet Products.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
