## Abstracts

The review period saw an increasing trend of consumers paying more attention to health and wellness foods, because they believe these products are beneficial for their health. In line with this trend traditional biscuits with high levels of sugar and cream were growing at a slower pace in 2015, while health and wellness biscuits saw a dynamic growth in 2014 and continue to do so in 2015. Starting from almost a zero share in biscuits, health and wellness biscuits are developing strongly in 2015,...
