## Abstracts

Bleach in Bulgaria recorded a significant decline in retail volume in 2023. Much of this was due to the uplift in growth seen during COVID-19, with consumers looking for strong, powerful, effective cleaners that were also affordable. Despite the category's retail volume decline, the more affordable price of bleach and the established consumer base of older consumers who use bleach habitually, allowed retail volume sales to be higher than in the pre-pandemic period. On the other hand, retail valu...
