Abstracts

Within tissue and hygiene, Bolton Nederland aims to maintain its leading position in toilet care wipes. In order to achieve this, the company needs to maintain competitive pricing during the forecast period as it faces rising competition from economy brands and private label products. It should also strive to improve its distribution network and develop the quality and breadth of its product range.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
