## Abstracts

COVID-19 dealt a serious blow to booking in Finland. At the height of the pandemic, outbound travel was minimal, compared to normal levels, although domestic travel became more appealing. However, increased domestic travel did not compensate for the slumps in outbound departures or the decline in often more expensive and lucrative business trips. The tide turned in 2022, with the lifting of COVID-19 restrictions and a much reduced fear of catching the virus set to see overall booking current val...
