Abstracts

Booking is set to see a full recovery to pre-pandemic sales levels in current value terms in 2023. However, a major factor driving value growth in both leisure and business bookings has been inflation driven price increases.

Euromonitor International's Booking in Israel report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2018-2022, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: Booking Offline, Booking Online, Business Travel, Direct Suppliers, Leisure Travel, Travel Intermediaries.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
