Abstracts

Although the cost of living is on an upward trend, with high levels of inflation and rising interest rates, local people continue to favour travel in 2023, taking advantage of savings amassed during the pandemic making travel affordable. While some customers prefer closer destinations and adjust the number of days or the type of hotel, others continue to seek out the trip of a lifetime or just want to make up for the pandemic years when they were deprived of the pleasure of travel. Booking in ad...

Euromonitor International's Booking in Portugal report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2018-2022, allowing you to identify the sectors driving growth.
