Abstracts

The dynamic sales growth that was recorded in bookings in 2023 was mainly the result of the strong interest that many local consumers have in placing early bookings when planning leisure travel. This boom in booking travel and tourism products and services well in advance first became apparent in November 2022 and began to peak around three months later, in the midst of the Romanian Tourism Fair, which took place in Bucharest at the end of February 2023. During that year, early booking meant tha...
