Abstracts

Trends such as premiumisation, functionality and omnipresent health and wellness concerns have guided the development of new products within bottled water and allowed it to surpass carbonates in both Canada and the US. North America has shown consistently strong growth over the historic period and has the highest per capita expenditure on bottled water of any region.

Euromonitor International's Bottled Water in North America global briefing offers an insight into the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on value and volume for both off trade and on trade.

Product coverage: Asian Speciality Drinks, Bottled Water, Carbonates, Concentrates, Energy Drinks, Juice, RTD Coffee, RTD Tea, Sports Drinks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
