## **Abstracts**

Bottled water remains by far the largest category of soft drinks in Saudi Arabia with increasing numbers of consumers switching to bottled water. Although tap water in the Kingdom is said to be safe to drink many people prefer to use bottled water, which is partly due to the taste of the tap water. With Saudi Arabia having a hot climate it is important to stay hydrated and this ensures that there remains a strong and stable demand for bottled water with the category continuing to see strong grow...
