Abstracts

2017 was a year of disruption in the ice cream industry. Smaller previously little heard of companies managed to gain share over more established brands in a very short period of time. The stand out example is Halo Top, whose revenue has risen sharply in recent years. This spotlight report will feature other brands that follow certain themes and explore why these brands have caused disruption, as well as which themes could be next to disrupt the market.

Euromonitor International's Brand Disruption in Ice Cream global briefing offers an insight into to the size and shape of the Packaged Food market, highlights buzz topics, emerging geographies, categories and trends and identifies the leading companies and brands. It also offers strategic analysis on driving packaged food industry trends like health and wellness, premiumisation, convenience and value-for-money and how those trends influence factors like new product developments, packaging innovations, retail distribution and retail pricing both historically and into the future.

Product coverage: Baby Food, Baked Goods, Breakfast Cereals, Confectionery, Dairy, Edible Oils, Ice Cream and Frozen Desserts, Processed Fruit and Vegetables, Processed Meat and Seafood, Ready Meals, Rice, Pasta and Noodles, Sauces, Dressings and Condiments, Savoury Snacks, Soup, Spreads, Sweet Biscuits, Snack Bars and Fruit Snacks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
