## Abstracts

British American Tobacco is a highly successful global tobacco company, holding leading positions in cigarette, vapour, HTP and oral nicotine categories. The tobacco industry is under scrutiny from public health and sustainability officials and in response BAT has invested in stricter ESG measures and alternative RRP's. Furthermore, BAT's venture capital arm invests in cannabis, consumer goods and wearable technology. This report outlines BAT's performance and potential future developments.

Euromonitor International's British American Tobacco in Tobacco (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Tobacco industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

**Product coverage:** Cigarettes, Cigars, Cigarillos and Smoking Tobacco, Smokeless Tobacco, E-Vapour Products and Heated Tobacco.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
