Abstracts

Growth in business services remained low in 2019. An uncertain political situation and an economic slowdown in the Eurozone restrained the industry's growth. Weak external demand and global trade tensions hurt exports, hampering business confidence and private investment. Moreover, foreign direct investment (FDI) inflow into Italy was down to USD26.5 billion, which had a negative effect on business services.

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Business Services market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change.

Product coverage: Accounting and Auditing, Advertising, Architectural and Engineering Services, Building-cleaning Services, Business and Management Consultancies, Investigation and Security Services, Legal Services, Market Research, Office Administrative and Other Business Services, Packaging Services, Photographic Services, Recruitment Agencies, Renting of Agricultural, Construction and Other Machinery, Renting of Air Transport Equipment, Renting of Land Transport Equipment, Renting of Personal and Household Goods, Renting of Water Transport Equipment, Research and Development, Technical Testing and Analysis.
