Abstracts

In 2017 the industry steadily expanded for the fifth consecutive year, fuelled by stronger economic growth, which encouraged business sector activity. Growth was driven by the increase in fixed investment due to the strong growth in investment in facilities. Also, the country's decreasing unemployment rate boosted demand for recruitment services. Due to the expanding urban population, the government largely invests in infrastructure, stimulating architectural and engineering services. In additio...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Business Services market at a national level.
