Abstracts

Business services in the US saw slower growth in 2019 compared to the previous year. Trade tensions, mainly due to the tariffs imposed on Chinese goods, had an adverse effect on business sentiment and overall economic activity. For example, architectural and engineering services witnessed a fall in demand, as many developers remained cautious over new projects amid economic concerns. At the same time, revenue growth for recruitment services declined due to fewer job openings, especially in trade...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Business Services market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues.
