Abstracts

Cadac continues to focus on innovative solutions to outdoor living, with research and development aiding this process. The company has been in business for over 70 years, present with a wide range of products, many of which have won international awards for innovation. In terms of its future direction, the company will continue to focus on what it terms its “big five” which are: Greengrill, which is a coating for its products made from organic materials that do not contain toxic substances; Ther...
