Abstracts

Caf?s/bars saw extraordinary growth in value and volume terms in 2022 as pandemic-related restrictions were lifted. Bars/pubs faced the steepest decline in sales while the restrictions were in place and thus with the easing of restrictions, there was a surge in demand with consumers keen to start socialising again. While the category recorded further growth in current value terms in 2023 this was more due to inflation and increased prices, while the number of transactions decreased. With inflati...
