Abstracts

Calming and sleeping in Ireland continues to face restrictions on the sale of products other than those containing herbal/traditional ingredients. While recent years have seen an increase in products and brand variations available in the category, with additional products positioned towards encouraging sleep or relieving exam stress, for example, non-herbal products remain available strictly on prescription only. The products which are available over the counter are sold across a wide range of...

Euromonitor International's Calming and Sleeping in Ireland report offers a comprehensive guide to the size and shape of the market at a national level.
