Abstracts

Strong movements across Western European markets towards the legalisation of medical and recreational cannabis are expected to reshape the undeveloped Western European cannabis market, and accelerate the migration from the massive illicit cannabis market to the legal one.

Euromonitor International's Cannabis in Western Europe Global report is designed specifically for current and potential stakeholders in the emerging legal cannabis market. It seeks to provide an in-depth overview of the size and scope of the global cannabis environment, examining the historic and future market trends. Delving into the forces shaping the emerging legal industry including regulatory momentum, dynamics of current illicit consumption, changing consumer behaviour and corporate activity, the report identifies opportunities and challenges across medical, adult-use cannabis and CBD. Forecasts in the reports are available to 2027.

Product coverage: Adult-Use Cannabis, CBD, Medical Cannabis.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
