## Abstracts

The Euromonitor Cannabis Legalisation Proximity and Attractiveness Index is the first publicly available overview of the current and future dynamism of cannabis regulation and market forces in 100 of the world's biggest global consumer markets. Combining environmental attractiveness indicators such as population and income metrics with projections regarding the pace of regulatory change in each market the Index provides a comprehensive view of where the industry is likely to move next.

Euromonitor International's The Cannabis Index: Where and How Legalisation Will Move Next global briefing offers an insight into to the size and shape of the Tobacco market, highlighting major industry trends and categories as well as the factors affecting operating environment. It identifies the leading companies and brands, offers impartial, strategic analysis of key factors influencing the market - be they new product developments, legislative restrictions or pricing influences. Forecasts illustrate how the market is set to change and where it is headed.

**Product coverage:** Cigarettes, Cigars, Cigarillos and Smoking Tobacco, Smokeless Tobacco and Vapour Products.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
