Abstracts

Cape Town is the legislative centre and the second largest metropolis in South Africa in terms of population, trailing Johannesburg. The city is admired for its access to both the Indian and Atlantic oceans, beautiful sights and bustling nightlife. Cape Town is often named as a world-class city, signifying its strong economy and well-performing business services sector. At the same time the city has highly segregated communities, and struggles with high crime rates and income inequality.

Euromonitor's City Review report

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Cities market;
