Abstracts

Car rental hire in the Philippines is popular among inbound tourists looking to travel around the city and to and from provinces freely and with the privacy of driving themselves; this is common for both domestic travellers as well as for business trips. In terms of leisure and tour activities, car rental to be used during the tour is often included in the travel package. However, in reaching another town or city, public transportation such as by bus is still commonly used by domestic passengers...

Euromonitor International's Car Rental in Philippines report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2012-2016, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2021 illustrate how the market is set to change.
