Abstracts

The Middle East and Africa may ultimately prove to be the most important global growth region for carbonates (CSDs) over the next five years as volumes continue to contract in Europe, North America and key developed countries. This report identifies important growth markets for CSDs in the region, identifying some of the underlying factors that make the Middle East and Africa a favourable market for sparkling drinks and introducing potential challenges ahead.

Euromonitor International's Carbonates in the Middle East and Africa global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on value and volume for both off trade and on trade.

Product coverage: Asian Speciality Drinks, Bottled Water, Carbonates, Concentrates, Juice, RTD Coffee, RTD Tea, Sports and Energy Drinks.
