Abstracts

Cascades is focusing strongly on its core packaging and tissue operations, with the goal of optimising costs and profitability in all areas in the current challenging economic climate. In 2013, Cascades revealed its three-year plan, which provides the framework for the company to direct its operations towards sustainable development. The plan will take place between the years 2013 and 2015. In addition to its away-from-home operations, Cascades is positioning itself as a top brand in green...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
