## Abstracts

Traditionally, cats were not popular as pets in India, with a typically poor image, and unfavourable qualities associated with them. However, there has been a change in the perception of cats, along with the growing influence of digital media. According to Euromonitor's Economies and Consumers data, the internet penetration rate in India was 87% in 2023, which was a significant increase from 51% in 2019. Gen Z and millennials, who spend a considerable amount of time on social media and OTT platf...
