## Abstracts

Centro International de Inversiones (Belca) will continue its efforts to consolidate as the main foodservice operator in the Central American region, offering a broad range of food products and brands, complemented by highly demanded cleaning supplies needed by most restaurants and cafes, establishing itself as an integral solution provider for this industry. The local company is also anticipated to continue taking advantage of its manufacturing capacity, and its developed knowledge in chilled.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
