Abstracts

Domestic player Centrobeco operates the well-established Beco department store chain. The company targets middle-income consumers and is expected to introduce new products and specific services once the business environment improves. The replacement of some imported product lines by local items is anticipated as a way to reduce dependence on imports. No new stores are predicted over the medium term.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
