Pages: 3

Price: US\$ 150.00 (Single User License)

ID: CC119B3FB32EN

Abstracts

Chandaria Industries is keen to diversify, as indicated by its investment in auto production at the end of the review period. However, tissue and hygiene is expected to remain its core product focus and the company is keen to build its share further in this area. The company is expected to continue to invest in strong new product development and in expanding its production capacity in the forecast period, in order to cater for growing demand. It will also focus on ensuring optimum efficiency to...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
