## Abstracts

Accessible travel is growing, driven by changing consumer demographics with a fifth of the world having access needs. The regulation, tools and consumer attitudes are now in place to lead to a paradigm shift to deliver seamless travel experiences for all. It is time for destinations and travel brands to embrace principles such as universal design to deliver inclusive travel products and services in a thoughtful way that deliver sustainable results.

Euromonitor International's Changing the Mindset: Travel and Accessibility global briefing offers an insight into to the size and shape of the Travel market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market from innovation, pricing, channel distribution to economic/lifestyle influences. Forecasts illustrate how the market is set to change and outlines the criteria for success.

**Product coverage:** Activities (Destination), Lodging, Online Travel Sales and Intermediaries, Tourism Flows, Travel Modes, Traveller Profiles.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
