Abstracts

Accounting for 76% of total chilled processed food volume, chilled processed meat remains the key driver of growth in 2013. Meat and various meat products are traditionally an important part of everyday meals among Latvians. It is very common to consume meat or meat products at lunch and dinner. Due to its convenience and high degree of innovation in recent years, chilled processed meat is gradually squeezing out fresh meat. Chilled processed meat usually can be consumed right after opening the...
