Abstracts

Chilled processed food is still considered a niche category in the United Arab Emirates. With the growing Western influence, this has helped create more awareness, especially across supermarkets that have a wider Western target audience, such as Waitrose and Spinneys in the country. With growing economic confidence and higher disposable income, consumers who are seeking fresher and healthier processed food have contributed to the growth of this category, especially chilled processed meat and...

Euromonitor International's Chilled Processed Food in United Arab Emirates report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2010-2014, allowing you to identify the sectors driving growth.
