Abstracts

China has started 2019 with growing concerns about a domestic demand slowdown and the negative impact from the US-China trade war on exports. GDP growth is expected at 5.6-6.5% in 2019 and 5.2-6.5% in 2020, followed by annual growth of 4.5-6% over 2021-2025.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
